Directions – coming from Truro – Tresillian*

Meet at the start of Tresillian if you are coming from Truro Waitrose end. Come down the A390, (past the recycling centre on your left), just as you enter Tresillian you will see a 'boat' planter on your right. Turn right here and then immediately left. The road is marked Pencalenick School, private road. Go along here for approximately 100 metres and park on the road on the left hand side near to the 'dog' bin. We will commence our walk at this point.

Directions coming from St Austell – Tresillian*

As you exit Tresillian, before the 'park and ride' sign on your left, there are parking places on the left hand side for approximately 6 cars. If you park here, and walk past the parking places, on your left you will see a public footpath sign and approximately 5 step steps and a footpath. Go along this footpath and over the bridge and turn right, and approximately 100 meters is our starting point.

* You can park in either areas.

Please car share if possible as parking is fairly limited.
